VILLAGE OF MILLERSBURG

Board Name: MILLERSBURG VILLAGE COUNCIL

TYPE OF MEETING: Regular

VOTING SESSION: Yes

DATE: April 13, 2026

START TIME: 7:00 PM

MEETING LOCATION:

Council Chambers – 6 N. Washington St., Millersburg, OH 44654

CALLED TO ORDER BY: Mayor Kelly Hoffee

RECORD OF PROCEEDINGS – REGULAR SESSION

CALL TO ORDER

The meeting was called to order at 7:00 PM by Mayor Kelly Hoffee.

PLEDGE OF ALLEGIANCE

All present stood and recited the Pledge of Allegiance.

COUNCIL MEMBERS ROLL CALL

NAME	PRESENT/ABSENT
Robert Shoemaker	Present
Tom Vaughn	Present
Ryan Hershberger	Present
Andy Zollars	Present
Andrea Kellogg	Present
Brent Hofstetter	Present

VILLAGE OFFICIALS

NAME	
Nathan Troyer, Administrator	Present
Matt Shaner, Police Chief	Present
Bobbie Curry, Fiscal Officer	Present
Chad Cline, Asst. Administrator	Present

VISITORS IN ATTENDANCE:

Jason Troyer, Holmes County EMA Director, Melissa Patrick (WKLM), Shirley Gerber, Kristi Welch, and Tom Jones.

ARBOR DAY PROCLAMATION

Mayor Kelly Hoffee read the **2026 Arbor Day Proclamation**, proclaiming **April 24, 2026** as Arbor Day in the Village of Millersburg and encouraging residents to celebrate Arbor Day and support tree planting and conservation efforts.

COMMUNITY CALENDAR / EVENTS

Mayor Hoffee reviewed upcoming community events, including the Clue Game at the Victorian House, Millersburg Garage Sale Days on April 24–25, and the **Summer Concert Series beginning June 6, 2026**, at the Timothy Baker Amphitheater at Deer Run Park. The Mayor noted food trucks would be present and encouraged sponsorship participation through Holmes Center for the Arts.

VISITORS

Jason Troyer, Holmes County Emergency Management Agency Director, addressed Council regarding the **Holmes County 2026 Hazard Mitigation Plan**. Mr. Troyer explained the purpose of the plan, FEMA requirements, hazard ranking methodology, and the benefits of Village adoption related to future mitigation grant eligibility. He clarified that adoption does not require funding or completion of mitigation projects. Council discussed storm damage totals and disaster assistance processes. No action was taken at this time.

Hofstetter – Yes
Shoemaker – Yes

Vaughn – Yes
Hershberger – Yes
Zollars – Yes

Result: PASSED

REPORTS OF OFFICERS

Administration – Village Administrator, Nathan Troyer

Administrator Troyer provided updates consistent with his written report, including:

- Design Review Board and Planning & Zoning actions
- Airport Park lighting project electrical permit preparation
- Clay Street Park mulching coordination with the Health Department
- Housing Study Report draft review and anticipated public rollout.

Discussion: Reviewing draft findings and discussing next steps. Met on Friday, April 10th and discussed preliminary housing study update from Envision indicating a significant increase in projected housing demand, with an estimated need for 80–90 new units annually over the next 10 years, compared to about 45 units built last year. A formal report will be submitted soon, followed by a public presentation.

Discussion highlighted the lack of a single solution, with a focus on promoting infill development of vacant or underutilized properties as a more cost-effective alternative to new subdivisions. High infrastructure costs for new developments and rising construction expenses were noted. Potential zoning updates to allow a broader mix of housing types, including multifamily and accessory dwelling units, were also discussed.

- Phone system switchover scheduling delays
- EPA Generator Grant award and procurement status
- ODOT salt contract participation recommendation

Discussion: The village received the invitation to participate in the annual ODOT salt contract on 4/2. The deadline to apply is May 1, thus the reason for the emergency legislation. We are planning to purchase 250 tons again this coming season. Troyer estimates that the Village used 225-250 tons of salt this winter.

- Vehicle decal quote comparison in progress
-

Police Department – Chief Matt Shaner

Chief Shaner noted his quarterly report was included in the council packet and referenced items to be discussed in executive session.

Fiscal – Fiscal Officer, Bobbie Curry

Fiscal Officer Curry reported:

- Council acknowledgment of March financials
 - Discussion regarding shredding services for Village Clean-Up Day on May 2nd, including the option of locked shredding bins as a cost-effective alternative to on-site shredding
-

Mayor – Kelly Hoffee

Mayor Hoffee reported that **Northeast Ohio Gas** will begin infrastructure upgrades in May, for approximately 2 to 3 months to repair/replace low pressure valves with work occurring primarily along North and South Clay Street.

COMMITTEE REPORTS

Committee: 4th of July Committee

Presented By: Bob Shoemaker

Discussion included event planning, band availability, parade participation, and coordination with other Village events.

Tree City Commission Report

Mayor Hoffee reported that Millersburg was designated a **2025 Tree City USA** by the Arbor Day Foundation. She also provided updates regarding tree distribution to local schools and coordination efforts. Tree City Commission will meet A

Holmes Fire District 1 Board Report

Mayor Hoffee reported that there have been **56 total Fire and EMS calls** within the Village of Millersburg year-to-date.

LEGISLATION

Resolution 2026-4

Title: A Resolution Authorizing the Village Administrator to Enter Into an Agreement with Aspen Energy Corp.

Administrator's Report

May 11, 2026

DRB & P&Z Commission

May 6-DRB met and approved the proposed awning/signage at Millersburg Christian Church and the P&Z Commission recommended approval of a change of zoning district request from Revamp Investments located at E. Jackson St, parcel number 0701105004. We need to set a public hearing for the change of zoning: July 13 at 6:45?

Aggregation Contract

Due to current market state, the aggregation program will be paused. Our current contract (\$0.689 c/kWh) runs through the June meter read. For example, current AEP price to compare is \$.0994 c/kWh; our aggregation renewal was quoted between \$.103-.1065 c/kWh so it doesn't make sense to enter into a long-term agreement at this time. The plan at this point is to continue to watch the market and hopefully find a favorable rate/term for our next contract sooner than later.

Sidewalk Project

No update.

Parks

- **Airport**

Plans are being prepared for electrical permit for lighting project. We will need to clean the poles and bullhorns prior to installation from the recent flooding.

- **Clay Street**

Mulch will be delivered and Street Dept. will dig out around equipment week of July 20th. We submitted the project to NewPointe for volunteers to spread the mulch as part of their Community Impact Day on July 26th. The Health Department is also purchasing seating for the playset at Airport Park as well as several bike racks for the parks.

Housing Study

No update

Phone System

Phone system switchover was completed; internet service switch will be completed once we receive installation date from Spectrum.

EPA Generator Grant

Gas service installed last week, awaiting generator delivery.

Vehicle Decals

Received, just need to be installed as time allows.

Administrator's Report

Mosquito Spraying

Annual service began 4/28. We will continue with weekly spraying unless conditions change.

Indigent Burial Service

May 31st at 3:00 PM

Cleanup Day

Held on Saturday, May 2nd. Had a great turnout as usual. Thanks to all who came to help.

Woodland Drive Sanitary Sewer

It was discovered that there is a sanitary line running behind the houses on the south side of Woodland Drive. We don't have any record of this line and haven't found any easements or mention of it at the Records Office. We are working on finding out where exactly the line runs and then we will report back with our recommended next steps. At this point, I am assuming we will need to have an easement recorded over the line, get all property owners to sign the easement, and then we would assume ownership and maintenance.

Equipment

Took delivery of the new Kubota excavator that was budgeted for this year on 5/7/26.
